PROSPECTUS

Mr. Govind Agarwal
Pro Vice Chairman

Dear Parents,

Welcome to the world of opportunities, adventure and discovery. We thank you and respect your interest in Delhi Public School Udaipur which is not only a unique and inspiring academic model but an abode of learning where everything is tailored to ensure that its students get equipped with the exact skills and rich moral values. This prospectus mirrors the aim of the school, its assets, its pursuits and the glorious achievements in its lap.

"The key to success is action and essential in action is perseverance" believing in the maxim to drive for excellence permeates deeply in the school culture providing innumerable opportunities and facilities to the students to excel in their endeavors. The parental trust in our effective attributes has resulted in receiving the claim of 'The Best Day Cum Boarding School'.

DPS Udaipur has an unparalleled sports culture that provides coaching for nearly all games where all sports persons undergo training on scientifically designed workstations and in turn create historic records. Promising holistic development, we look forward for your faith on us, in providing excellent education to your ward in the serene and aesthetic environment of the school.

VISION

For DPS, Udaipur, each dawn must be a persistent assemblage of opportunities, efforts and outcome to which the Dipsites and their teachers enthusiastically give their best with mutual bonding. We aim, to provide a nurturing environment to our students, where technology meets education and enable us to invent new powerful ways of learning.

MISSION STATEMENT

We aim to preserve and enhance the highest standards of excellence and prepare capable, responsible citizens for the 21st century. We ensure that DPS students are helped to master the expanding horizons of technology and also become the repository of a deep commitment to Indian ethos and culture.

We ensure that DPS students are equipped to access the best opportunities of growth and advancement prepared linguistically and culturally for them. The concept of 'enlightened citizens of the world' is the backdrop of all our efforts. We earnestly desire to train the students of DPS to be sensitive to the environmental concerns, evoking in them the feeling of nationalism and communal harmony, even motivating them to follow the motto of 'Service Before Self' by serving others willingly, graciously and selflessly.

Dear Parents,

Children have their unique ways to teach us what life is all about with their innocence and thoughtfulness. Education provides them with enlightenment and holistic growth so that they use their uniqueness to create a difference. In a tech-savvy, uncertain world, instead of letting them lost in the competition, we must teach them to act with empathy, care and concern towards their fellow beings. This is only possible when they are exposed to a value oriented educational atmosphere, where they are able to witness their elders, parents and teachers engaging in humanitarian activities that nourish their souls and leave a legacy of kindness and benevolence. Education does not merely consist of reading and learning several theories, it must be a reflection of moral lessons a child will be capable of using in his real life. Education provides meaning and perspectives to the child's lives, so that they become the torchbearers of the society.

Delhi Public School with the motto 'Service before Self' offers myriad opportunities for your child to grow and learn in a value oriented, positive atmosphere where they can develop their skills and talents. We facilitate our students with knowledgeable teachers, who enable them to grow as independent and confident individuals. Our faculties, staff and overall management takes special care, to ensure that our students can focus on their goals, with the right attitude and in the right spirit.

Sanjay Narvaria
Principal I/C

Our Approach for a Dipsite

Pre Primary

On behalf of Delhi Public School Udaipur, welcome to the world of tiny-tots.

Pre Primary education can be defined as “a set of knowledge along with skills and experience as well as behavioral rules which provide the essentials akin to cognitive, social, expressive and interacting skills for coping successfully in everyday life and at school”. Motherly care of our teachers makes students feel very comfortable to express their problems. To afford the holistic development of the kids counting with a variety of maturity and knowledge in a child like considerable, emotional, exciting, mental, ethical, fine motor, gross motor, verbal communication, education, admiring, response etc. with other individuality are build up at this phase.

At the initial level, we provide a multi dimensional curriculum which is loaded with numerous co curricular activities that provide a strong base for the holistic development of the little ones. Personalized attention strengthens the student teacher relationship which is very important for proper academic growth. The recent inclusion of 'Jolly Phonics'- a U.K based teaching learning pattern for better linguistic skills.

Primary Section

Primary education is the initial stage of education and has its basic aim to create, establish and offer opportunities to all children to achieve a balanced cognitive, emotional and psychomotor development. A basic responsibility of Primary Section is to help pupils become acquainted with their civilization and tradition, to develop respect and love for their national heritage and to become aware of their national identity, DPS, Udaipur is special. We support student and bring energy and excitement to our roles. We value curiosity and believe that it drives learning. Curiosity flourishes in our positive school learning culture and supportive classroom climate. At this level, new subjects are introduced, the curriculum becomes more board based associated with activities to develop an approach of learning by doing. This develops a better understanding of concepts and a willingness in a child to learn.

Middle School

Middle School education programme collaboratively prepare students to succeed in growth and development, so that they are grounded in goals of formulating inclusive, responsible, enthusiastic, caring, confident and ethical. The purpose is to train students to become increasingly independent and responsible. We guide them to start taking ownership of their own education. This includes an emphasis on the following core attributes of middle grades education.

1. An understanding of development of adolescents' cognitive, social, moral, physical and psychological characteristics.
2. We give students remedial help. Students below grade level in any subject can spend time. We focus on each and every student vis a vis their learning capacity and help them so that no student is left behind
3. The method and coherent approach ignites the young minds of DIPSITES to be inquisitive logical thinkers who can re-consider, imagine and re-invent new ways of learning.

Secondary School

Secondary education plays a fundamental role in mentoring students mind. At this level, we prepare our DIPSITES to gaze at all subject holistically and prepare them for selecting streams for their future career. DPS, Udaipur provides best infrastructure with highly qualified and experienced teachers that makes difference in students' learning outcome. The teaching - learning process, classroom discussion and implementation in secondary classrooms have been the key that has bought in academic excellence to the student's existence and has enlightened our organization with countless merits. We are proud to have every year group of toppers.

Senior Secondary

In DPS, Udaipur students learn to work hard enhance leadership skills, advance themselves in critical thinking, build up determination to achieve important goals in life and sustain good habits. Students discover a level of respect and dedication from school that results in success. Teachers in campus help students to focus upon the journey of set vision. They assign their resources and time efficiently to motivate the students regularly. Student improves performance by ensuring to be accountable for their own success, propelling themselves forward through a selection of small achievements designed to break down a larger purpose in life. Teachers offer constant reminder of what that student wants to accomplish in their streams as career. High Secondary curriculum here even fuels ambition and develops confidence in students by encouraging determination through tough times and offer a sense of pride when they finally succeed in their ambition. DPS Udaipur hold innumerable achievers. Our students have upheld themselves as progressive citizens, across the globe.

Hostel

“Home away from home”

Our hostel inside the school premises is with CCTV surveillance for a safe stay for all the hostellers. Away from the hustle and bustle of the busy city life, in a tranquil and verdant environment is the hostel which is perched on a hilltop in the lap of nature. School has centrally air cooled hostels separate for boys and girls. Each room is shared by either two students or four students. A common room is provided with individual study tables and a reading table. Also TV and music system is placed in the common room for recreation. It also recognizes the uniqueness of each individual and enables its members to synergize in a manner which enriches residential community life. The Hostel is designed to provide every facility for study, leisure and enjoyment, which can add so much to school days and later-life. DPS, Udaipur has a modern hygienic kitchen. Fresh, healthy and nutritious cuisine is served to the children everyday. Indian, Continental or Chinese, the cuisine includes an elaborate spread of a variety of dishes and desserts. A dedicated warden and trained team of chefs, supporting staff and a dietician make sure that hygiene, variety and timings are given utmost importance. The food is strictly vegetarian.

SPORTS

Sports education gains an enviable reputation at DPS. We believe in building champions beyond classrooms. The sports department comprises of a team of highly skilled sports teachers, who help the students reach their excellence in the sports activities. Delhi Public School not only has Inter-House competition, it also sends its students to different DPS all over India and abroad, so as to develop a high standard for their students through opportunities. Sporting facility at DPS, Udaipur includes Equestrian, Tennis courts, Volleyball courts, Basketball courts, Football fields, Cricket pitch, exclusive Table Tennis hall, Badminton hall, Yoga center, a well-designed Swimming Pool, Rifle Shooting and Horse Riding.

At DPS, Udaipur- 'DREAMS' become 'REALITY' for we Nature HOPES and IGNITE The Spark within.

BROADENING HORIZONS

Rifle Shooting Range

In the streak of strenuous and countinuous efforts for holistic development of the students, DPS Udaipur initiated the RIFLE SHOOTING RANGE. This new infrastructural addition will induce dynamism in the curriculum.

Library

DPS, Udaipur is proud to have a well equipped library which is spacious and airy with a peaceful ambience making it a perfect place to study. The library has thousands of books with a wide range of subjects to choose from. It is updated with access to the electromagnetic information and comprehensive CD ROMs.

Robotics Lab

A new dimension to learning has been given by the start of Robotics Laboratory in the school. The students will gain hands-on-insight while conducting various experiments and tasks which are defined for the robots. ROBOLAB will be perfect outlet for students as robotics is in the forefront of technology.

Laboratory

Laboratory sessions are a part of study in all sciences. At DPS, Udaipur we ensure that practical as well as theoretical knowledge is gained. The laboratories for physics, chemistry, life sciences and electronics are well equipped and housed in a separate block with an array of instruments and other equipments for the children to experiment and learn new things. As IT is the buzz word of today's world, the school is updated with the latest gadgets. The school has a huge collection of useful multimedia educational CD ROMs for the extensive use of students. It has 24 hours internet facility and skilled teachers to guide the students through the World Wide Web. Multimedia lab, slide projector and 16 mm movie projector are also used to enhance the understanding of the students in particular subjects.

Digital Classroom

DPS, Udaipur has joined hands with Educomp Smart Class network to facilitate better teaching-learning experience. The use of Smart Classes makes available all the necessary data of the textbooks, in an audio visual as well as an interactive format. This technique helps glue the interest of the students to the subject.

Language Lab

DPS, Udaipur has incorporated the concept of Language Lab where students learn the language in an interactive way. As a result their comprehension and understanding improves and they learn the language faster. Audio tapes, CDs and various cassettes are used to help students improve their understanding of the language.
